Borrower also shall promptly notify Lender of the occurrence of any other event the effect or outcome of which could have such a material adverse effect. Borrower indemnifies and holds Lender harmless from and against any claims and liability arising out of or in connection with the use, operation or ownership of the Collateral.

(m) Compensation. Borrower shall not directly or indirectly (1) increase the compensation paid by Borrower to the Related Parties specified in Paragraph 5(f), or (2) make

any other distributions or payments to such Related Parties, other than in the ordinary course of business.

(1) Payment of Indebtedness. If Borrower shall default in the due and punctual payment of all or any portion of any installment of the Indebtedness and such default shall continue for a period of ten days after written notice thereof by Lender to Borrower.

(2) Performance of Obligations. If Borrower shall default in the due observance or performance of any of the Obligations other than payment of money and such default shall not be curable, or if curable shall continue for a period of thirty days after written notice thereof from Lender to Borrower.

(3) Bankruptcy, Receivership, Insolvency, Etc. If voluntary or involuntary proceedings under the Federal Bankruptcy Code, as amended, or other similar federal or state laws, shall be commenced by or against Borrower and the same shall not be dismissed within sixty days of the filing of such proceedings.

(4) False Representation. If any representation or warranty made by Borrower or Guarantor under the Security Documents or any other agreement between Borrower and Lender or in any report, certificate, financial statement or other statement furnished by Borrower or Guarantor to Lender shall prove to have been false or misleading as of the date such representation or warranty was made.

(5) Change in Ownership and Management. If there is a change in the ownership or active management and operation by the Related Parties in Borrower from that set forth in Paragraph 5(f) hereof, without the prior written consent of Lender.

(6) Default under Other Agreements. If a default shall occur under the Security Documents or any other agreement between Borrower and Lender, or if any other indebtedness of Borrower to Lender shall be accelerated, or if payment of any other indebtedness of Borrower to Lender which is payable on demand shall be demanded.

(7) Judgment. If a final judgment for the payment of money in excess of Twenty-Five Thousand Dollars shall be rendered against Borrower or Guarantor and the same shall remain unpaid for a period of 60 consecutive days during which period execution shall not be effectively stayed.

(b) If an Event of Default shall occur, Lender may exercise one or more of the following remedies:

(1) Acceleration. Lender may declare the unpaid portion of the Indebtedness to be immediately due and payable, without further notice or demand (each of which is hereby expressly waived by Borrower).

(2) Exercise Right of Offset. Lender may offset and apply any monies, credits or other proceeds or property of Borrower that has or may come into the possession or under the control of Lender against the Indebtedness.

(3) Exercise Rights with Respect to Intangibles and Receivables. With respect to the Intangibles and Receivables, Lender shall have the right (A) to settle, adjust and compromise all present and future claims arising thereunder or in connection therewith; and (B) to sell, assign, pledge or make any other agreement with respect thereto or the proceeds thereof; (C) to exercise any and all other rights and remedies that Lender would have with respect thereto as if it were the absolute owner thereof, and (D) to endorse any checks, drafts or other instruments for the payment of money, payable to Borrower or order, that may be received by Lender in connection therewith. Borrower shall deliver to Lender, upon demand, all of its books and records relating to the Intangibles and the Receivables and all instruments and other writings relating thereto that evidence or constitute all or any portion of the Intangibles and Receivables.

(4) Exercise Other Remedies. Lender may take possession of the Collateral and dispose of it in any manner permitted by law, and Lender may exercise any remedy specifically granted to a secured party under the Uniform Commercial Code or any other remedy now or hereafter existing in equity, at law or by virtue of statute or otherwise. Lender may resort to any other security for the Indebtedness in such order and manner as Lender may elect.

(c) Application of Proceeds. The proceeds of any disposition of the Collateral, less the expenses incurred by Lender in taking, holding, selling, leasing, using, preparing for sale, lease or use, and reasonable attorneys' fees and other legal expenses, shall be applied by Lender to the partial or complete satisfaction of the Indebtedness and the Obligations. Lender shall account to Borrower for any surplus, and Borrower shall be liable to Lender for any deficiency.

(d) Remedies Cumulative and Concurrent. The rights and remedies of Lender as provided in this Agreement and in the Security Documents shall be cumulative and in addition to any other right, remedy or power herein specifically granted or now or hereafter existing in equity, at law or by virtue of statute or otherwise and may be pursued separately, successively, concurrently, independently or together against Borrower or any Guarantor or against other obligors or against the Collateral, or any one or more of them, at the sole discretion of Lender, and may be exercised as often as occasion therefor shall arise. The failure to exercise any such right or remedy shall in no event be construed as a waiver or release thereof, nor shall the choice of one remedy be deemed an election of remedies to the exclusion of other remedies. Acceptance of payments in arrears shall not waive or affect any right of Lender to accelerate the Indebtedness as herein provided.

(e) Waiver. Borrower waives presentment for payment, demand, notice of demand, notice of nonpayment or dishonor, protest and notice of protest of any amounts due under this Agreement, and all other notices in connection with the delivery, acceptance, performance, default, or enforcement of the payment of the amounts due under this Agreement. Borrower

waives (to the extent that the same may be waived) the benefit of all valuation, appraisal, and exemption, stay of execution and redemption laws now or hereafter in effect.

(f) Late Charges and Interest. Time is of the essence and if any installment of the Indebtedness is not paid within ten (10) days of when due, Borrower shall pay to Lender a late charge payment equal to five percent (5%) of the amount of such installment or the maximum rate permitted by law, whichever is less. If an Event of Default shall occur, then Borrower shall pay interest on the Principal Balance of a Loan at the rate of three percent (3%) per annum over the Applicable Interest Rate for such Loan from the date such Event of Default occurred and thereafter.

8. Miscellaneous.

(a) Further Assurances. Borrower, upon the reasonable request of Lender, will execute, acknowledge and deliver such further instruments (including, financing statements, estoppel certificates and declarations of no set-off) and do such further acts as may be necessary, desirable or proper to carry out more effectively the purpose of this Agreement and the Security Documents, to facilitate the assignment or transfer of this Agreement, and the Security Documents, and to subject to the liens of this Agreement and Security Documents any property intended by the terms thereof to be covered thereby, and any renewals, additions, substitutions, replacements or betterments thereto. Upon any failure by Borrower to execute and deliver such instruments, certificates and other documents on or before fifteen (15) days after receipt of written request therefor, Lender may make, execute and record any and all such instruments, certificates and Borrower irrevocably appoints Lender the agent and attorney-in-fact of Borrower to do so. Further, Borrower will cooperate with Lender in the correction or completion of the Security Documents to reflect the agreed upon terms.

(b) Notice. All notices, demands, requests and other communications required under this Agreement shall be in writing and shall be deemed to have been properly given if sent by U. (c) Lender's Right to Perform the Obligations. Time is of the essence. If Borrower shall fail to make any payment or perform any act required by the Security Documents, then Lender, upon lapse of any grace or notice periods and without further notice to or demand upon Borrower and without waiving or releasing any obligation or default, may make such payment or perform such act for the account of and at the expense of Borrower, as Lender elects. All reasonable and necessary sums so paid by Lender, and all costs and expenses, including, without limitation, reasonable attorneys' fees and expenses so incurred together with interest thereon, shall constitute additions to the Indebtedness, and shall be paid by Borrower to Lender, on demand.

(d) Severability. If any provision of this Agreement is prohibited by, or is unlawful or unenforceable under, or any one or more of the Obligations is invalid, illegal or unenforceable in any respect under, any applicable law, such provision or Obligation shall be ineffective to the extent of such prohibition without invalidating the remaining provisions of this Agreement; provided, however, that where the provisions of any such applicable law may be waived, they hereby are waived by Borrower to the full extent permitted by law.

(e) Modification. This Agreement may not be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the party against which enforcement of the change, waiver, discharge or termination is asserted, and then such modification, waiver or consent shall be effective only in the specific instance and for the specific purpose given.

(f) Maximum Rate of Interest. Notwithstanding any provision in the Security Documents, the total liability of Borrower under the Loan for payments of interest and payments in the nature of interest, including without limitation, all charges, fees or other sums that may be deemed to be interest (collectively, "Interest Payments"), shall not exceed the limits imposed by applicable usury laws (the "Legal Rate"). In the event the Interest Payments for any month or other interest payment period exceed the Legal Rate, Lender shall apply all Interest Payments collected in excess of the Legal Rate for the period in question to the outstanding Principal Balance as of the date of receipt. Further, upon notice to Borrower, Lender may waive, reduce or limit the collection of any Interest Payments in excess of the Legal Rate.

(g) Survival of Warranties and Covenants. The warranties, representations, covenants and agreements set forth in this Agreement shall survive the making of the Loan and continue in full force and effect until the Indebtedness shall have been paid in full.

(h) Binding Effect. This Agreement shall be binding upon, and shall inure to the benefit of, the successors and assigns of Borrower and Lender.

(i) No Representations by Lender. By accepting or approving anything required to be observed, performed or fulfilled or to be given to Lender pursuant to this Agreement, including without limitation any insurance policy, balance sheet, profit or loss statement, financial statement, Intangible or agreement, Lender shall not be deemed to have warranted or represented the sufficiency, legality, effectiveness or legal effect of such document, or of any term, provision or condition thereof.

(j) Applicable Law. This Agreement shall be deemed to have been made under, and shall be governed by and construed according to the laws of the state of Borrower's place of business as indicated above, including matters of construction, validity and performance.

(k) Loan Expenses. Borrower shall pay all costs and expenses in connection with the preparation, execution, delivery and performance of this Agreement and all other agreements and instruments executed in connection herewith, including without limitation reasonable fees and disbursements of its and Lender's counsel and recording costs and expenses.

(l) Headings, Etc. The article headings and the section and subsection captions are inserted for convenience or reference only and shall in no way alter or modify the text of such articles, sections and subsections. CONTINUING GUARANTY

THIS CONTINUING GUARANTY (this "Guaranty"), dated January 13, 2004, is from the undersigned ("Guarantor"), whose address is set forth below ("Guarantor's Address"), to FORD MOTOR CREDIT COMPANY, a Delaware corporation ("Lender").

In consideration of the premises and other good and valuable consideration, receipt of which are hereby acknowledged, and to induce Lender to enter into the Master Loan and Security Agreement, dated January 13, 2004 (the "Agreement") and to provide the Loans thereunder to LEWIS FAMILY ENTERPRISES, INC., a California corporation ("Borrower") Guarantor hereby agrees as follows:

1. Definitions. Unless otherwise specifically defined herein, all capitalized terms shall have the meanings set forth in the Agreement.

2. Guaranty.

(a) Guarantor, hereby absolutely, irrevocably and unconditionally guarantees to Lender (1) the due and punctual payment of the Indebtedness now or hereafter outstanding, as and when it shall become due and payable whether by lapse of time, by acceleration of maturity or otherwise, and (2) the due and punctual performance of the Obligations now or hereafter outstanding, irrespective of the validity, regularity or enforceability of the Agreement or the Security Documents. The obligations of Guarantor herein shall remain in effect as long as the Indebtedness and Obligations are outstanding, including all extensions or modifications thereof.

(b) This is a guaranty of payment and performance, and not of collection. Immediately upon the occurrence of an Event of Default and written demand by Lender, Guarantor shall pay to Lender the Indebtedness and shall do and perform each of the Obligations, as if the Indebtedness and the Obligations constituted the direct and primary obligations of Guarantor. Lender shall be entitled to proceed directly against any and all Guarantors for payment of the Indebtedness or performance of the Obligations, without first pursuing or exhausting any remedy that Lender then may have against Borrower, the Collateral or any other security for or guarantor of the Indebtedness. Any failure of Lender to exercise its right to proceed directly against any or all Guarantors, or any delay in the exercise thereof, shall not be construed as a waiver by Lender with respect thereto and shall not release any Guarantor from its liability hereunder. Lender may proceed directly against each and every Guarantor at any time after the occurrence of an Event of Default. Guarantor waives any defenses based upon any election of remedies by Lender under this Guaranty, the Agreement or the Security Documents.

(c) Guarantor hereby waives each of the following, to the fullest extent allowed by law:

(1) the applicability of California's Civil Code Section 2845 which reads:

"A surety may require the creditor, subject to Section 996.440 of the Code of Civil Procedures, to proceed against the principal, or to pursue any other remedy in the creditor's power which the surety cannot pursue, and which would lighten the surety's burden; and if the creditor neglects to do so, the surety is exonerated to the extent to which the surety is thereby prejudiced."

(2) all statutes of limitations as a defense to any action brought by Lender against Guarantor;

(3) any defense based upon (A) the unenforceability or invalidity of all or any part of the Indebtedness or any security or other guaranty for the Indebtedness or the lack of perfection or failure of priority of any security for the Indebtedness, (B) any act or omission of Lender or any other person that directly or indirectly results in the discharge or release of Borrower or any other person for any of the Indebtedness or any security therefore, or (C) any disability or any other defense of Borrower or any other person with respect to the Indebtedness, whether consensual or arising by operation of law or any bankruptcy, insolvency or debtor relief proceeding, or from any other cause;

(4) any right (whether now or hereafter existing) to require Lender, as a condition to the enforcement of this Guaranty, to (A) accelerate the Indebtedness, (B) give notice to Guarantor of the terms, time and place of any public or private sale of any security for the Indebtedness, or (C) institute any proceeding in law or equity against Borrower, any other guarantor or any other person, or proceed against or exhaust any security for the Indebtedness;

(5) until all Indebtedness is paid in full, (A) all rights of subrogation, reimbursement and contribution, (B) all rights to enforce any remedy that Lender now or hereafter has against Borrower or any other person, and (C) any benefit of, and right to participate in, any security now or hereafter held by Lender with respect to the Indebtedness;

(6) presentment, demand, protest and notice of any kind, including without limitation notices of default and notice of acceptance of this Guaranty;

(7) notice of acceptance, presentment for payment, demand for payment, protest or notice of protest and dishonor, notice of demand, and all other notices and demands of any kind and description now or hereafter provided by any law or statute, and all other rights and defenses, the assertion or exercise of which would in any way diminish the liability of Guarantor hereunder.

Guarantor hereby acknowledges that it has carefully reviewed the waivers contained in this Section 2 and in other sections of this Guaranty; that the waivers contained therein have been reviewed by Guarantor's attorney; that Guarantor has discussed the same with its attorney; that, based on its review of these waivers and the discussion of the same with its attorney, Guarantor understands the significance of each waiver made; and that Guarantor signifies its consent to each waiver and acknowledges its full and complete understanding of each waiver after consultation with counsel by the execution of this Guaranty.

(d) Guarantor assumes full responsibility for keeping fully informed with respect to the business, operation, condition and assets of Borrower and all circumstances bearing on the risk of non-payment of the Indebtedness and non-performance of the Obligations. Guarantor waives any duty on the part of Lender to disclose or report to any Guarantor any information now or hereafter known to Lender relating to the business, operation, condition or assets of Borrower, regardless of whether Lender has reason to believe that any such facts materially increase the risk beyond that which any Guarantor intends to assume or has reason to believe that such facts are unknown to any Guarantor or has a reasonable opportunity to communicate such facts to any Guarantor.

(e) This Guaranty and the liability of Guarantor hereunder shall not be affected, diminished or released by (1) any extension, forbearance or leniency extended by Lender to Borrower with respect to the Loan, without notice to or consent by Guarantor, including notice of any default by Borrower; (2) any amendment, modification or extension of the terms and conditions of the Agreement and the Security Documents, without notice to or consent by Guarantor; or (3) any release by Lender of any other guarantor of the Loan, without notice to or consent by Guarantor. Any joinder, waiver, consent or agreement by Borrower, by its own operation, shall be deemed to be a joinder, consent, waiver or agreement by Guarantor with respect thereto and each Guarantor shall continue as Guarantor with respect to the Agreement and the Security Documents as so modified, extended, amended or otherwise affected.

(f) If at any time any whole or partial payment of the Indebtedness or performance of the Obligations is or is sought to be rescinded or must otherwise be restored or returned by the Lender as a result of the insolvency, bankruptcy, dissolution, liquidation or reorganization of Borrower or the appointment of a receiver, intervenor or conservator or trustee or similar officer for Borrower or any substantial part of its property or otherwise, then this Guaranty shall continue to be effective or shall be reinstated, as the case may be, all as though such payments and performance had not been made.

(g) Nothing herein contained is intended or shall be construed to give any Guarantor any right of subrogation in or under the Agreement or the Security Documents, or any right to participate in any way therein, or in the right, title and interest of Lender in and to the collateral covered by the Agreement and/or the Security Documents, notwithstanding any payments made by any Guarantor, all such rights of subrogation and participation being hereby expressly waived and released by Guarantor.

(h) Guarantor and Lender (by its acceptance of this Guaranty) confirm that the parties intend that this Guaranty and the obligations of Guarantor hereunder not be a fraudulent transfer or conveyance for purposes of the federal bankruptcy law, any state insolvency, receivership, fraudulent conveyance or transfer law, or any other applicable federal or state law. Therefore, the obligations of Guarantor under this Guaranty at any time shall be limited to the maximum amount as will result in the obligations of such Guarantor not constituting a fraudulent conveyance or transfer.

3. Representations And Warranties of Guarantor. Guarantor represents and warrants to Lender that:

(a) Guarantor has received copies of the Agreement and the Security Documents and is familiar with and fully understands all of their terms and conditions; and

(b) Lender has not made any representations or warranties to Guarantor regarding the creditworthiness of Borrower or the prospects of repayment from sources other than Borrower and Guarantor has made its own independent decision to enter into this Guaranty and any agreements related thereto based on its own investigation and review of the creditworthiness and financial condition of Borrower and such other information as Guarantor has determined relevant; and

(c) Guarantor has established adequate means of obtaining from Borrower on a continuing basis financial and other information pertaining to the business of Borrower; and

(d) Guarantor will be benefited directly or indirectly by the financing arrangements contemplated by the Agreement and that the waivers set forth in this Guaranty are knowingly made in contemplation of such benefits.

4. Termination. A Guarantor may terminate this Guaranty with respect to his, her or its obligations under this Guaranty only by written notice sent to Lender by registered mail, postage prepaid, at Lender's Address stating an effective date of such termination which may not be earlier than 30 days after the receipt of such notice by Lender, provided however that the obligations of such Guarantor under this Guaranty shall continue in full force and effect with respect to any Indebtedness and Obligations of Borrower arising prior to the effective date of termination. In addition, this Guaranty shall continue in full force and effect with respect to any other Guarantor who has not given notice of termination. The death of any Guarantor shall not terminate this Guaranty.

5. Miscellaneous.

(a) The remedies of Lender under this Guaranty are separate and cumulative and are in addition to any other legal or equitable remedy which Lender may have under the Security Documents or the Agreement and may be pursued separately, successively, concurrently, independently or together against Borrower, any Guarantor, any other obligors, the Collateral, or any one or more of them, at the sole discretion of Lender, and may be exercised as often as occasion therefor shall arise. The failure to exercise any such remedy shall in no event be construed as a waiver or release thereof, nor shall the choice of one remedy be deemed an election of remedies to the exclusion of other remedies. Nothing in this Guaranty is intended to prevent Lender, upon the occurrence of an Event of Default and in its sole discretion, from foreclosing the liens of the Agreement and the Security Documents and enforcing the provisions thereof.

(b) Subject to the notice requirements of Paragraph 4 above with respect to termination of a Guarantor's obligations under this Guaranty, any notice required or permitted to be given pursuant hereto, or in connection herewith, shall be deemed to have been duly given when addressed and mailed by First Class United States Mail, postage prepaid, to Lender at Lender's Address and to Guarantor at Guarantor's Address, or to such other places as either of the parties may for themselves designate in writing from time to time for the purpose of receiving notices pursuant hereto.

(c) The warranties, representations, covenants and agreements set forth in this Agreement and the Security Documents shall survive the delivery hereof and shall continue in full force and effect until the Indebtedness is paid in full.

(d) The parties intend this writing to be a final expression of their agreements and a complete and exclusive statement of the terms and conditions with respect to the subject matter hereof and the transactions contemplated hereby. No course of prior dealings between the parties, usage of the trade, course of performance or parol or extrinsic evidence of any nature shall be used or be relevant to supplement or explain or modify any term used in this Guaranty. This Guaranty may not be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the party against which enforcement of the change, waiver, discharge or termination is asserted, and then such modification, waiver or consent shall be effective only in the specific instance and for the specific purpose given.

(e) Guarantor and Lender intend that this Guaranty will not violate any valid applicable law now or hereafter in effect in any jurisdiction. If any provision hereof is invalid, illegal or unenforceable in any respect under any applicable law of any jurisdiction, such provision shall be ineffective to the extent of such prohibition in such jurisdiction, without invalidating the remaining provisions of this Guaranty.

(f) Lender's acceptance or approval of any Obligation performed by Borrower or any Guarantor (such as delivery of any insurance policy, balance sheet or other financial information, account, contract right, chattel paper or general intangible) shall not be deemed to be a warranty or representation by Lender with respect to the accuracy, sufficiency, legality or effectiveness of the same or of any term, provision or condition thereof.

(g) Guarantor will pay reasonable attorneys' fees and expenses incurred by Lender in enforcement of the Agreement, the Security Documents and this Guaranty. All items that Guarantor agrees to furnish hereunder or in connection herewith will be furnished at Guarantor's sole cost and expense.

(h) This Guaranty shall be binding upon and shall inure to the benefit of the successors and assigns of the parties.

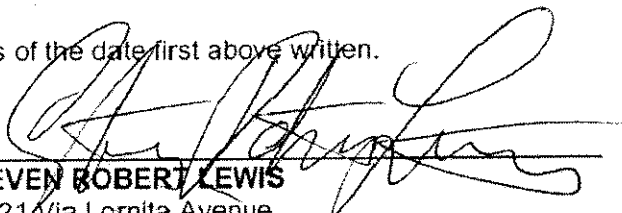

(i) Guarantor shall provide Lender with at least 30 days' prior written notice of a change to Guarantor's (1) legal name, (2) state of incorporation, registration or organization, (3) social security number or Federal tax identification number, (4) location of its chief executive office, or (5) type of business (such as, corporation, partnership, limited liability company).

(j) This Guaranty shall be governed by, and construed and enforced in accordance with, the laws of the State of California.

(k) This Guaranty may be executed in any number of counterparts, each of which shall be an original, but all of which shall together constitute one and the same agreement.
